SELECTMEN'S 2005 REPORT

In 2005, the headlines seemed to focus on a steady stream of crises: terrorism and wars, killer hurricanes, floods and wildfires on the global and national level. Yet, Rollinsford's municipal government maintained its steady as you go course of providing necessary operations and upgrading local public infrastructure with small municipal tax increase.

REVENUE INCREASES

Several revenue sources increased during 2005. Auto registration fees exceeded \$400,000 for the first time. The above average annual rainfall helped boost hydroelectric revenue to \$85,449.64 for the year. The lease for the cell tower adjacent to the transfer station provided \$12,000. The use change tax for lots removed from current use generated over \$58,000 during the year and is expected to provide similar revenue in 2006. Finally, the recycling of about 95 tons of "tear waste paper" reduced tipping fees by more than \$6,000 and generated about \$2,150 of additional revenue. The town also received a \$112,000 grant for the new fire truck that was delivered in 2005 and \$30,000 worth of equipment for the "police car 54" program that provided new radar, radio and laptop computer for 3 police cruisers. (Two new Chevy Impala police cruisers were delivered in 2005.)

NEW ASSETS PURCHASED

The Highway Department purchased a backhoe attachment for the Bobcat tractor, which added to the "in-house" capacity of the highway crew. Our road reconstruction program continued with \$64,000 invested to rebuild and resurface Sligo Road between Route 4 and Pinch Hill Road. The Town land increased to about 323 acres following the purchase of 34 acres for open space preservation (tax map lot 2-12).

TOWN MEETING ACTION

The Town had two Special Town Meetings in 2005. First, a Special Town Meeting on May 17, 2005 to vote on amendments to the Zoning Ordinance proposed by the Planning Board. Voters approved a 25-foot setback on structures from wetlands and increased the minimum amount of land required per unit in "multifamily" projects to 10,000 sq. feet. On October 15, 2005 voters at the second Special Town Meeting authorized the Selectmen to purchase 34 acres for \$295,000 using land funds previously approved at the Town Meeting in March 2005. The March Town Meeting had also authorized the increase of the veteran's credit from \$200 to \$300. The elderly exemption amounts and the income and asset requirements proposed by the Selectmen were approved. The fact that the tax rate was reduced from \$26.50 to \$13.49 while the exemptions levels increased had the effect of decreasing the net tax reduction effect of the elderly exemption. The Selectmen have received a petition to increase the elderly exemption levels and minimum income restrictions for 2006. (See Article in the 2006 Town warrant).

DEVELOPMENT AND TAXES

Southern New Hampshire's rapid growth of recent years seems to have reached Rollinsford in 2005. Subdivisions with a total of 15 new house lots were approved by the Planning Board. A proposed multiple family development with about 60 units at the town line off Central Avenue remains under consideration by Dover and Rollinsford

Building permits for ten new homes, and one duplex unit were approved between May and December. Six of these housing were for lots that existed prior to 2005 and the other four were subdivisions lots created in 2005. The new assessed values assigned to vacant lots with less than 10 acres provides incentives for owner to consider subdivisions and sale of lots to reduce their property taxes. The combination of an 18 percent increase in property taxes and shifts in property assessment due to the

2005 revaluation caused tax shock for some property owners in Rollinsford.

PROPOSED 2006 BUDGET

Each \$275,000 of additional spending in Rollinsford will now cause the property tax rate to increase \$1 per \$1000 value. The school budget is expected to increase the tax rate by about \$.88 and the county is expected to increase the tax rate by about \$.06. The municipal tax rate should remain the same as in 2005, therefore, the overall tax rate increase should be between \$.90 and \$1.00 per \$1,000 of assessed value. The additional cost of increased veterans credits (\$20,000) and higher elderly exemption (- +\$15,000), will require and increase of about \$.12 in the tax rate, or the revenue produced by a \$2,413,793 increase in property values. Remember that a \$1.00 increase in the tax rate will cause property taxes to increase 7.4 per cent, and at this rate of annual growth your annual tax bill will double in about 10 years.

The 2006 municipal budget recommended by the Rollinsford Budget Committee is \$1,662,152.58. The proposed capital budget is \$498,820, which represents a reduction of \$790,230 from 2004. About 80% of the capital items will not affect the 2006 tax rate because transfer of money from existing town funds will cover their costs. The operating budget of \$1,163,332.58 represents an increase of \$10,423 from last year (less than 1%). The additional expenditures are offset by additional non property tax revenues. Consequently, the town tax rate is projected to remain unchanged in 2006. The operation budget increases mainly reflect salary changes and energy price increases. New items requested in the capital budget include: \$50,000 for a new highway building fund to be financed with a transfer of surplus funds, \$6,620 for a reversing snow plow, financed by a withdrawal from the equipment fund, and \$10,000 for repairs to the Town Hall basement floor that has suffered moisture damage.

THOSE WHO HELPED

During 2005, three former town officials passed away. Retired Police Chief Al England made a major contribution to Rollinsford during his tenure as Police Chief from 1972 to 1982. Florence Greenaway was still a part-time administration clerk to the Selectmen pulling her share of the load even though she exceeded eighty years of age. She had a great love and knowledge of Rollinsford's history. Fred Barry, a former long time Planning Board member, Rollinsford Industrial Committee and a town representative to the Strafford Regional Planning Commission, lost a long fight with cancer in September.

The Selectmen appreciate the understanding and support offered by town residents during the past year. A property revaluation year is an especially difficult time for many. The employees in the Police, Fire and Highway Departments are always here when trouble arises. The Town Clerk and the Tax Collector are cheerful and give words of explanation for those who wonder why property taxes and car registration fees always seem to rise. Volunteers on the town boards such as Planning, ZBA, Conservation, Health, Historical, and Recreation dealt with many demanding issues, which require hours of uncompensated volunteer time.

We encourage those not involved in town government to consider helping out in some volunteer role. Even if your private demands prohibit volunteer work in town, please try to attend the annual school and town meetings to share your ideas and to vote. We hope to see you at the School and Town meetings in March.

REMINDER FROM THE TAX COLLECTOR

Overall, tax collection has gone more smoothly than expected following the recent property revaluation in Rollinsford. I know that the increase was difficult for most people, and in some cases, very difficult. I want to thank you for your patience and restraint. I understand how upsetting this has been for many of you.

There are programs in place that may offer help to qualifying taxpayers. Please come in to the town hall for information about the following and other programs:

Abatements – Applications are due March 1st following notice of the tax.

Elderly exemptions – Applications due April 15th preceding setting of the tax rate.

Low and moderate income homeowners property tax relief – File claims between May 1st and June 30th.

Veteran's credit – Applications due April 15th preceding setting of the tax rate.

Remember that you may make partial payments of your tax bill which will help reduce interest charges even if you are not able to pay the entire bill at once.

Also, I would appreciate it if people would mail in their resident tax bills, or, at least, bring their bills with them when making payment. We have had a real problem with people not bringing their bills when they come in to register their vehicles.

Thank you,
Elise Brelis

Board of Selectmen
Town of Rollinsford
Rollinsford, New Hampshire 03869

Gentlemen:

In planning and performing our audit of the financial statements of the Town of Rollinsford for the year ended December 31, 2004, we considered its internal control in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide assurance on the internal control. We noted certain matters involving the internal control and its operation, however, that we consider to be reportable conditions under standards established by the American Institute of Certified Public Accounts. Reportable conditions involve matters coming to our attention relating to significant deficiencies in the design or operation of the internal control that, in our judgment, could adversely affect the Town's ability to record, process, summarize, and report financial data consistent with the assertions of management in the financial statements.

Purchase Orders

It was noted that purchase orders are not prepared for all expenditures.

Preparation of purchase orders would provide assurance to department heads and Selectmen that budget accounts do not become over expended during the year.

Monthly Journal Entries

The Bookkeeper prepares monthly journal entries, adjustments, corrections or reclassification entries. These entries are then posted to the general ledger.

It is recommended that the Selectmen review the monthly entries and sign that the entries were reviewed and approved. This was recommended in the prior year report.

Tax Assessment Cards

When reviewing the tax assessment cards, it was noted that some assessments were different from the tax warrant.

After properties are reassessed, the Selectmen should ascertain that revised assessments agree with the tax warrant and new assessment cards are printed and in the file.

Fixed Assets

The Town does not maintain records of general fixed assets such as property and equipment with a life expectancy exceeding one year. The recording of fixed assets would fulfill the need to provide for physical dollar value control, and establish accountability for general government capital expenditures over the year.

With the recording of fixed assets, the related depreciation could be determined on an annual basis for the purpose of measuring the total cost of governmental services and evaluating the efficiency of programs. This was recommended in the prior year report.

A material weakness is a reportable condition in which the design or operation of one or more of the internal control elements does not reduce to a relatively low level the risk that errors or irregularities in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions.

Our consideration of the internal control would not necessarily disclose all matters in the internal control that might be reportable conditions and accordingly, would not necessarily disclose all reportable conditions that are also considered to be material weaknesses as defined above. None of the reportable conditions described above, however, is believed to be a material weakness.

This report is intended solely for the information and use by the Selectmen and State of New Hampshire, Department of Revenue Administration and is not intended to be and should not be used by anyone other than these specified parties.

Very truly yours,
DUMAIS & FERLAND

ROLLINSFORD POLICE DEPARTMENT

2005 was very busy for the members of the Rollinsford Police Department. Overall activity showed a slight increase. Criminal arrests were down slightly from the previous year. Motor vehicle accidents showed the largest jump in years.

We continue to spend an ever increasing amount of time in criminal investigations and subsequent follow up investigations. Our patrol time continues to decrease as more time is used in investigations. This continues to result in an ever increasing amount of complaints from residents concerning speeding and erratic driving complaints.

The members of the Rollinsford Police Benevolent Association and Police Department continue to support and fund many programs for the children of the community, Rollinsford Grade School, Somersworth Middle and High Schools, in addition to many other youth related activities and sports programs not associated with the school system. Additionally we continue to provide full meals to the less fortunate families at Thanksgiving and Christmas, as well as the free spaghetti dinner held during the Annual Family Fun day.

Many thanks to the citizens of Rollinsford for your past and present support. I would also like to thank the town officials, elected and appointed, members of the fire and highway departments, town committees, and the Rollinsford Grade School community for their support of the police department.

The Rollinsford Police Department is committed to providing the best service possible to the Rollinsford Community.

ROLLINSFORD FIRE DEPARTMENT ANNUAL REPORT

We responded to 185 calls in 2005 they are as follows:

Mutual Aid	28
MVA	36
Alarm Activation	36
Medical Aid	22
Investigations	6
Assist to Public	15
Wires down	8
Structure Fire	6
Water problems	6
Grass Fires	3
Hazardous Mat	10
CO Detectors	2
Vehicle Fire	1
Trees Down	6

All active firefighters in Rollinsford are now Firefighter I certified with the State of New Hampshire. Eight additional firefighters will be completed by May 2006 the National Registry EMT course. This will give Rollinsford eighteen firefighters that are Emergency Medical Technicians and one that is a Paramedic.

As of January 1, 2006 our 3,000 gallon Tank Truck was placed into service. This purchase was possible by receiving a grant of \$112,500.00 from the Federal Emergency Managements Agency part of the Homeland Security Department and \$20,000.00 from the Town of Rollinsford.

The Rollinsford Volunteer Firemen's Association will again apply for a matching grant from the State of New Hampshire and plan on purchasing an Amkus Stabilizations Jack Kit. This also will show in the capital reserve portion of the town budget but will not use any taxpayer's money to purchase. If the grant is approved the State of New Hampshire will pay \$2,500.00 and the Rollinsford Volunteer Firemen's Association will pay \$2,500.00. This item shows in the budget only because it is required to have a Town issued check. You will see the offset of this line item in the Revenue section of the town budget.

This winter through the Strafford County Corrections department we were able to have the entire interior of the fire station painted with only the town supplying the painting materials. All labor was provided by the correction department. We are very pleased with the results and look forward to having them return to complete the painting on the outside of the fire station this summer.

I would like to thank the men and women of the Rollinsford Fire Department. They continue to dedicate long hours of protecting the town, training at the fire station and in the classroom, fundraising and volunteering every year to teach fire safety to the children at the Rollinsford Grade School. They also spend the entire day at the Rollinsford Family fun day showing the kids what kind of skills they need to be a firefighter and giving them a chance to try it out for themselves, and in the evening hours are on standby during the fireworks display and dismantling of the equipment. The town is very lucky to have the dedication of these outstanding firefighters and the commitment that they have to this town. I would also like to thank the Board of Selectmen, Beverly and Elise in Town Clerk's office and the highway department for all the help they have given the fire department this year. I would especially like to express my appreciation to the Rollinsford Police Department. Bob Ducharme and all the officers have

worked very closely with my department and have made our jobs safer, less stressful and have worked with us as a team. We are very fortunate to have such dedicated police officers in our town. And finally we would also like to extend our sincere appreciation to all who support our fundraising efforts to purchase emergency equipment not obtainable through the town budget and for all the local business that have so generously given to our craft fair each year. We could not purchase the items we have if we did not have the support of residents and business in our town at these fundraisers.

Respectfully submitted,
Harry S. Knowles
Rollinsford Fire Chief

ROLLINSFORD CEMETERY TRUSTEES 2005 REPORT

In 2005 the Rollinsford Voters approved the cemetery operating budget as well as the cemetery capital budget.

The operating budget for Old Town and New Town Cemetery in 2005 was \$13,325.86. The major expense of the operating budget is the mowing and trimming which is \$12,000.00 \$6,807.45 of the cemetery operating budget is paid from the perpetual care trust fund.

The cemetery capital budget in 2005 was expended to have a section of the roadway at the Silver St. entrance raised. The roadway was raised approximately a foot. The cost of this capital expense was \$4,850.00. The trustees also had five cemetery policy signs made and put up at various locations in New Town Cemetery, this expense cost \$175.00. The trustees are anticipating that with the cemetery policies displayed it will encourage visitors to refrain themselves from adding unnecessary items to the cemetery lots which in turn make the mowing and trimming of the lots more time consuming.

In 2005 a total of ten (10) graves were sold in New Town cemetery. The town of Rollinsford received \$1,750.00 from the sale of the ten graves and \$1,750 went into the perpetual care trust fund. In 2005 an additional eight (8) lots were added to the perpetual care list, with a total of \$5,125.00 added to the perpetual care trust funds. In 2005 \$5,000.00 was added to the Doe Trust Fund. In 2005 the town received a total of \$150.00 in tomb rental.

In 2005 a spring grave cleanup was conducted through volunteer labor. Some of the cemetery trees were trimmed and several gravestones that had toppled were reset.

In 2005 the Rollinsford Cemetery Trustees regretfully accepted the resignation of one of their trustees. Mr. Roy Kent who has served as a cemetery trustee for 8 years, recently moved from Rollinsford to Dover. Roy came to this town as a retired funeral director and brought with him many years of cemetery experience that he shared with us. Roy volunteered many hours of his time working for the cemetery. One of the many tasks that Roy was responsible for, was the charting and marking of sections I1 and I2 in New Town Cemetery.

We thank Roy for his many years of service to the town cemeteries.

The trustees were fortunate to have found a replacement to fill out Roy Kent's term as trustee. Michael Lapoint was appointed as a trustee, by the selectmen. Michael Lapoint is a very dedicated member of this community. Mike has many years of experience as a construction engineer and will be an

asset to the cemetery trustees.

The trustees would like to thank all volunteers that helped out at the cemetery with various tasks in 2005. We would especially like to thank Elise Brellis and Beverly Dionne from the town office for the many hours that they put in working on cemetery business throughout the year.

For the year of 2006 the Rollinsford Cemetery trustees have agreed that with the rising costs of taxes, we would like to keep the cemetery capital expenses at a minimum. This year we are only planning on purchasing a few loads of gravel to repair some of the washed out sections of roadway in the cemetery. The trustees are planning on spreading this gravel to repair the roads with volunteered equipment and labor.

In closing the Rollinsford Cemetery Trustees, would like to thank all Rollinsford taxpayers for supporting the town cemeteries.

ROLLINSFORD HIGHWAY DEPARTMENT

Another productive season was had at the department. A long needed road reconstruction and paving was completed on the north end of Sligo Road. Two new culverts were installed and some roadside ditching was also completed.

The purchase of a backhoe attachment for the bobcat loader has added another valuable tool for the department. The above mentioned culverts and roadside ditching was accomplished with the backhoe. A few problem storm drains out falls were also cleared with this new equipment.

The road pavement crack sealing operation we are doing in house is going very well. We were able to treat several roads last season.

Town parks grass mowing is done within the department now. We purchased a new 48" walk behind mower to accomplish this task. The new mower reduced our mowing time to half of what it previously was.

Al Johnson, Road Agent

ROLLINSFORD TRANSFER STATION

The crew we have at the station should be commended for the job they do. The appearance and operation of this facility has come a long way. They feel the fact that the facility is a (dump) transfer station doesn't mean it has to look like one.

Recycling operations are improving. The station accumulated and sold over 85 tons of scrap steel. This is the pile residents see on the right side of the road as they enter the station.

The loose paper people toss into the container for recycling produced over 91 tons last year. This is material not going into a landfill or adding to the cost getting rid of solid waste from the town.

Cardboard is still a good item to recycle. We had a good payback for the 50,000 lbs. we baled and sold.

The recycling of aluminum cans is always a profitable operation. The station baled and sold almost 10,000 lbs. of cans last year. If residents could purchase more beverages in aluminum cans than glass bottles, aluminum profits could be higher and costs of getting rid of the glass would be lower.

Wood chips and mulching material is still available from the station. Residents that have used this material are quite happy with the quality. It's free of charge and station attendants will gladly load any pickup or trailer for residents.

I would like to take a moment and mention that a long time familiar face will be missing from the transfer station. Ron Marcotte has decided to retire. Ron saw many years at the station and seemed to know everyone. He will surely be missed and we all wish him well.

Respectfully,
Al Johnson, Road Agent

ROLLINSFORD HISTORICAL COMMITTEE

Much was accomplished in 2005 by the historical committee, whose membership is composed of residents dedicated to the preservation and promotion of Rollinsford's history.

Two major projects were undertaken by committee members and volunteer workers: the repair and refurbishing of the Salmon Falls Village Park, and the rebuilding of the footbridge spanning Fresh Brook on the Newichawannock Trail, which runs from Dover to the Salmon Falls (or Newichawannock) River. The park efforts included the replacement of fencing, one park bench, a tree, and a light pole destroyed or damaged in the winter automobile accident. These efforts were accompanied by a general clean-up of the park.

The committee was also instrumental in the rescue of the old mill firefighting gazebo, which will be restored and relocated for public use at a later date. Photos and artifacts from the town historical collection were loaned to the Old Berwick Historical Society for a two-year exhibit on Salmon Falls Village, displayed at the Maine society's Counting House Museum.

Educational efforts included a June hike of the undeveloped (and thus historic) part of Indigo Hill Road between Rollinsford and Somersworth; a series on historic Rollinsford buildings that appeared in the RGS Newsletter; and a November slide lecture of old photos of the Portsmouth Navy Yard, presented by member Nelson Lawry. Committee members manned an informational booth at the annual Rollinsford Family Fun Day. The Salmon Falls Village walking tour brochure has also been updated and is now available to the public.

The committee chose two of Rollinsford's luminaries from the past, Judge Hiram R. Roberts and prolific historical writer Annie Wentworth Baer, to be honored with portraits hung in the town hall. The members as well competitively selected four historic vistas within the town to be made into color

postcards for public sale in early 2006. Received through the selectmen were vintage black and white photos of the old mill and foundry, which have been placed in the hands of the committee's archivist for cataloguing and safekeeping.

Some members of the committee have consulted with the as huc committee to nominate St. Mary Church to the National Register of Historic Places.

In sum, 2005 saw a heightened effort in awareness and preservation of Rollinsford's historic heritage.

Officers' Report 3/29/05

The Rollinsford Water & Sewer District has been very busy again this year. Last yeas projects are winding down and new ones are beginning.

WATER

The Arsenic Removal Demonstration Project is up and running. It is removing the arsenic as it should but the performance of the unit is not meeting the expectations of the EPA and the District. Therefore, the EPA has approved a new system (at no cost to the District) to be installed in April.. The project may extend beyond the one year as originally planned because of this new system.

The District has also applied for and received a Water Protect Grant from the State of NH DES to add a fence and lightning at Porter Well. Approximately \$15,000.00. The work will begin as soon as the weather allows.

SEWER

The Treatment Plant Upgrade was completed September 30, 2004. The project is currently in the one year warranty period. All new facilities and equipment have been started up, tested and are operational. The contractor, engineer and the District are continuing to work on the final punch list items.

The Commissioners are very concerned about the small base of rate payers and have been very

active in applying for and receiving many grants to help keep the rates down. The have and will continue to work very hard to provide the best services possible while keeping the cost at a minimum.

Grant money received is the past two years for, mandatory upgrades by the EPA, which has been a great savings to the District rate payers.

Sewer -	USDA -	\$800,000.00
	DES -	\$600,000.00
	Senate Appropriations -	\$300,000.00
Water -	Arsenic Demonstration - approximately	\$150,000.00
	Water Protection Grant -	\$15,000.00

Also discussed was that the District will no longer be hiring an outside company to run the plant, they have hired their own employees and a brief discussion of finding new wells and interconnections.

3. To authorize the Commissioners to raise and appropriate the operating budget of \$459,415.00 for the nine month period April 1, 2005 to December 31, 2005. Thereafter, the budget will be on a calendar year. (Approved by the Budget Committee)

Al Dionne made a motion to accept. Dennis St.Hilaire seconded the motion. All were in favor. The motion was accepted.

4. To authorize the Commissioners to raise and appropriate \$50,000.00 from savings for maintenance and repairs. This will be a non-lapsing appropriation per RSA 32:7, XI and will not lapse until December 31, 2010.

Kenneth Shorey made a motion to accept. Dennis St.Hilaire seconded the motion. All were in favor. The motion was accepted.

5. To see if the District will accept the provisions of RSA 31:95-b. To adopt the article authorizing indefinitely, until specific recession of such authority, the Commissioners to apply for, accept and expend, without further action by the District meeting, unanticipated money from a state, federal or other government unit or a private source which becomes available during the fiscal year. This authorization will remain in effect until rescinded by a vote of the District meeting. (Majority vote required)

Dennis St.Hilaire made a motion to accept. Kenneth Shorey seconded the motion. All were in favor. The motion was accepted.

6. To see if the District will approve the additions, deletions, and/or changes to the Ordinances of the District as submitted by the Commissioners.

There were no changes to the Ordinances.

7. To transact any other business that may legally come before said meeting.

There was a brief discussion between the Commissioners and Selectman Al Dionne about Jim Jalbert and the pump station of Jessie Doe. Commisisoners agreed to meet with Mr. Jalbert and the Selectmen, when Ed returns from vacation to discuss the situation.

Dennis made a motion to adjourn. Kenneth seconded the motion. The meeting was adjourned at 7:30 p.m.

Given under our hands the 29th day of March, 2005.

SAU 56 - ROLLINSFORD SCHOOL DISTRICT

To the voters of the Rollinsford School District:

As indicated in last years Annual report, we had many changes to our staff at the SAU56 offica. I am very pleased to welcome our new SAU56 staff: Superintendent Karen Soule, Assistant Superintendent Dr. Diane Law, Business Administrator Bob Berry, Special Education Director Bob Marquis and Administrative Assistant Sandra Kenyon.

In November 2005, I began negotiations with the Rollinsford Teachers Association. We have signed a two year agreement, which the public will be voting on at the March 11th School district meeting. The agreement outlines that in year one the teachers will receive COLA (cost of living) as of October 2005 which is 3.75% and also in year two they will be receiving COLA as of October 2006. We also changed the matrix that if a teacher is eligible to receive a track change they can not also receive a step charge. We have also agreed to bring the Nurse up in tow years to the full pay of the step/track that she is on. Previously she was only receiving 80% of the pay matrix.

We are proposing several capital improvements to our school. The largest is to repair the side parking lot. We have asked for \$35,000.00 and recommend removing \$15,000.00 from the capital improvement account. We are also recommending a small plumbing product, replacing 4 door lock sets, repair work tot he Cupola, and adding ceiling fans in the gymnasium.

In closing, I would like to thank all the volunteers that help out every day at the Rollinsford Grade School. I would also like to thank the teachers and principals at the Rollinsford Grade School, Somersworth Middle School and Somersworth High School. Together we are all making a difference in the education of our children.

Respectfully submitted,
Denise M. Kowles
Chairperson, Rollinsford School Board

ROLLINSFORD EDUCATION FOUNDATION

We are in the process of supporting another play at the Grade School Amanda Russell and the children at the Rollinsford Grade school are busy working on the play School House Live Rock Junior! The play dates are March 9, 10, and 11 at the Rollinsford Grade school gym. Please come and support the foundation on this project.

A new grant proposal has been approved to Gail O'Connor she submitted a grant proposal to add to and support a new school-wide program called Risk Watch Injury Prevention Program. This nationally recognized program developed by the NFPA (National Fire Protection Association) and will be conducted in all grades, Kindergarten through sixth grade.

The Risk Watch Program is a systematic approach to injury prevention. Preventing injuries from occurring is far more effective than any treatment. With education, motivation, and the support of caring adults, the NFPA and Rollinsford Grade School believe that children can learn to be much safer. Risk Watch is the first comprehensive injury prevention program available to schools. It gives children and their families the skills and knowledge needed to create safer homes and communities. It links teachers with community safety experts and parents.

The Risk Watch Injury Prevention Program correlates with the State of New Hampshire State Curriculum Standards for English and Language Arts. Each student is given a grade-appropriate workbook of their own to keep and use throughout the year. The workbooks reinforce injury prevention messages through puzzles and activities. They also include letters home to parents and caregivers. At RGS they have already begun monthly themes:

- September- Motor vehicle and Bus safety
- October - Fire safety and Burn prevention
- November - Choking, suffocation and strangulation prevention
- December - Poisoning prevention
- January - Falls prevention
- February - Firearm injury prevention
- March - Bike and Pedestrian safety
- April - Water safety

If you are interested in joining our foundation please call Jay Roy at 742-2351 or Denise Knowles at 742-8226. If you have an idea and would like to submit a request please see below the request for proposal and send in a complete application by the indicated deadline dates.

PRINCIPAL'S REPORT

To the Residents of Rollinsford:

The Rollinsford Grade School learning community continues to be a wonderful place for children to come not only to grow academically, but also socially, emotionally and developmentally.

The Aloha Spirit which we devoted the 04-05 school year to cultivating is evident during this school year as well. It is not unusual to hear students saying aloha as a form of greeting or parting throughout the day. The spirit was clearly present at our "Picnic For A Purpose" held in September as an American Red Cross Fundraiser to provide relief for the victims of Hurricane Katrina. At the picnic Cajun music filled the air while families enjoyed their picnics, socialized and made new acquaintances. At the evening's end there was a slide show full of pre-Katrina photos from the Bolians' collection and all ended with the playing of Lee Greenwood's "Proud To Be An American". It was a special moment for everyone and when all of the monies were counted, we raised \$1,869.

This year our school has embraced the Risk Watch Program - Injury Prevention & Safety. Mrs. O'Connor and Ms. deMoya lead the way using the Risk Watch program and materials. The National Fire Protection Association (NFPA, the developer of the Risk Watch program) and Rollinsford Grade School believes that children can learn to be much safer. The program links teachers with community safety experts and parents. Throughout the year we have addressed the following topics: motor vehicle safety, fire and burn prevention, choking, suffocation and strangulation prevention, poisoning prevention, falls prevention, firearms injury prevention, bike and pedestrian safety and water safety.

Our School Improvement Team (S.I.T.) continues to meet monthly. Recently the S.I.T. asked individual staff members to identify what, in their opinions, were the greatest areas of need at RGS that, if addressed, would result in improvement to teaching and learning. Space needs topped the list. The S.I.T. then reviewed excerpts from the School Board commissioned space needs study completed in June of 2002 by two experts, Alexander Blastos and Mark Joyce. The S.I.T. will now ask the School Board to revisit this need as they look to the future. For example, the existing attic in the original 1936 building could provide some of the needed relief.

As a result of the generosity of the RGS-PTO, federal grants and the school district budget, we now have 24 laptops which are wirelessly connected to our local area network and the Internet. We also have a student centered web design group made up of intelligent and creative 5th and 6th graders, staff representatives Aimee Krauss, Becky Wright, Rita Connolly and myself, capably led by our Volunteer Webmaster and RGS parent Tom Lebel. Tom has been such an incredible resource and asset to our school. Because of his efforts we are maintaining our existing technology while making the necessary upgrades as well. Tom has received many hours of technological support from another resident and volunteer, Dennis Boutin. If you should happen to see either of them, please thank them for their incredible contributions. Did you know we also host the town of Rollinsford's web site on our school server? To visit our web site, please go to: www.rollinsford.k12.nh.us.

I will close by saying that volunteers truly are the life-blood of our NHPIE Blue Ribbon School. If you have even a few minutes each week that you would like to volunteer, please call 742-2351. We will welcome you with open arms.

Sincerely,
Jay M. Roy
Principal

TO DETERMINE AND APPOINT THE SALARIES OF THE SCHOOL BOARD (CHAIR \$300, TWO (2) MEMBERS AT \$250 EACH), TRUANT OFFICER (\$40), MODERATOR (\$50), DISTRICT CLERK (\$50), TREASURER (\$400), SUPERVISOR(S) OF THE CHECKLIST, (THREE (3) AT \$15 EACH) FOR A TOTAL OF \$1,385.00. Mr. Connolly made a motion to accept Article 1 as written, and Mr. Dionne seconded. There was no discussion. Voice vote. Motion carried.

Article 2. TO HEAR THE REPORTS OF AGENTS, AUDITORS, COMMITTEES OR OFFICERS CHOSEN AND PASS ANY VOTE RELATING THERETO. Mr. Connolly moved to accept Article 2 and to waive the reading of any of the reports. Mr. Dionne seconded. No discussion. Voice vote. Motion carried.

Article 3. TO CHOOSE AGENTS, AUDITORS AND COMMITTEES IN RELATION TO ANY SUBJECT EMBRACED IN THIS WARRANT. Mr. Wasson moved to accept Article 3 as written, and Mr. Lebel seconded. There was no discussion. A voice vote carried the motion.

Article 4. TO SEE IF THE SCHOOL DISTRICT WILL VOTE TO APPROVE THE COST ITEMS INCLUDED IN THE COLLECTIVE BARGAINING AGREEMENT REACHED BETWEEN THE ROLLINSFORD SCHOOL BOARD AND THE ROLLINSFORD TEACHERS' ASSOCIATION WHICH CALLS FOR THE FOLLOWING INCREASES IN SALARIES AND BENEFITS:

Year	Salary Increase	Benefit Increase	Total Increase
2005-2006	\$37,136 (4.39%)	\$4,326	\$41,462 (4.39%)

AND FURTHER TO RAISE AND APPROPRIATE THE SUM OF \$41,462 FOR THE 2005-06 FISCAL YEAR, SUCH SUM REPRESENTING THE ADDITIONAL COSTS ATTRIBUTABLE TO THE INCREASE IN SALARIES AND BENEFITS OVER THOSE OF THE APPROPRIATION AT CURRENT STAFFING LEVELS PAID IN THE PRIOR FISCAL YEAR. Mr. Dionne moved to accept Article 4 as written. Mr. Rollo seconded. Discussion as follows. Mr. Ross questioned which of the percentages printed was correct. Mrs. Knowles explained how the figures are obtained, and Mr. Ross was satisfied. The Article was moved, and a voice vote was taken. Article 4 passed.

Article 5. SHALL THE ROLLINSFORD SCHOOL DISTRICT, IF ARTICLE FOUR (4) IS DEFEATED, AUTHORIZE THE GOVERNING BODY TO CALL ONE SPECIAL MEETING, AT ITS OPTION, TO ADDRESS ARTICLE FOUR (4) COST ITEMS ONLY? The article was stricken from the warrant, as it was only needed if Article 4 failed.

Article 6. TO SEE IF THE SCHOOL DISTRICT WILL RAISE AND APPROPRIATE \$3,222,302 FOR THE SUPPORT OF SCHOOLS, FOR THE PAYMENT OF SALARIES FOR THE SCHOOL DISTRICT OFFICIALS AND AGENTS, AND FOR THE PAYMENT OF STATUTORY OBLIGATIONS OF THE DISTRICT, AND TO AUTHORIZE THE APPLICATION AGAINST SAID APPROPRIATION OF SUCH SUMS AS ARE ESTIMATED TO BE RECEIVED TO THE DISTRICT; THE SCHOOL BOARD TO CERTIFY TO THE SELECTMEN THE BALANCE BETWEEN THE ESTIMATED REVENUE AND THE APPROPRIATION, WHICH BALANCE IS TO BE RAISED BY THE TAXES IN THE TOWN. Mr. Connolly moved to accept as written. Mr. Salvati seconded. Discussion as follows. Mr. Connolly asked if the \$95,000 being requested in Article 7 was included in this figure. Mrs. Knowles explained it was not. No further discussion. Motion carried on a voice vote.

Article 7. TO SEE IF THE SCHOOL DISTRICT WILL VOTE TO RAISE AND APPROPRIATE THE SUM OF NINETY-FIVE THOUSAND DOLLARS (\$95,000) TO REPLACE THE SLOPED PORTION OF THE ROOF AT ROLLINSFORD GRADE SCHOOL AND AUTHORIZE THE WITHDRAWAL OF TWENTY-FIVE THOUSAND DOLLARS (\$25,000) FROM THE SCHOOL BUILDING IMPROVEMENT CAPITAL RESERVE FUND. Mr. Wasson moved to accept as written. Mrs. Small seconded. Discussion as follows. Mr. Connolly stated he conditionally supported this article but wished to ask the board to seek and secure further estimates. Mr. Jansen asked how much money is in the capital reserve fund right now. That information was found on pg. 45 and was \$29,447.32. Mr. Turgeon asked for clarification on where the money had come from. Mrs. Knowles explained it was voted on during the 2003 meeting. Mrs. Knowles and Mr. Ford (SAU #56 business manager) assured the townspeople that all roofing options were being considered and more bids were still arriving. Mr. Jansen also asked what would happen to any leftover money if the work was completed for less than \$95,000. Mr. Ford explained that any excess money would automatically be returned to the town to offset taxes. Discussion ceased. Motion carried on a voice vote.

Article 8. TO SEE IF THE SCHOOL DISTRICT WILL VOTE TO RAISE AND APPROPRIATE THE SUM OF UP TO \$25,000 TO BE PLACED IN THE SCHOOL BUILDING IMPROVEMENT CAPITAL RESERVE FUND PREVIOUSLY ESTABLISHED, WITH SUCH AMOUNT TO BE FUNDED FROM THE YEAR-END DESIGNATED FUND BALANCE (SURPLUS) AVAILABLE JULY 1 OF THIS YEAR. Mr. Rollo moved to accept as written. Mr. Dionne seconded. Discussion as follows. Mr. Connolly voiced his objection to this article as he felt there was no need at all or possibly a lower amount could be designated. Mrs. Porter asked for an explanation of the fund which Mrs. Knowles provided. Mrs. Small voiced her support as it showed a commitment for any future projects. Ms. Howard also asked if the money would only be designated if there was at least a \$25,000 surplus from the school budget at the end of the fiscal year. Mr. Ford answered yes, and explained that surplus revenue can only be kept by the school board if it has been designated for a specific fund. Otherwise, all surplus funds revert to the general town budget. Mr. Dionne asked if there was an anticipated surplus in this budget. Mr. Ford said yes. Mrs. Woolley reminded everyone that other town departments have reserve funds, and it only makes good sense for the school board to be planning ahead also. Discussion ceased. Motion carried on a voice vote.

Article 9. TO TRANSACT ANY OTHER BUSINESS THAT MAY LEGALLY COME BEFORE THIS MEETING. At this time, Mrs. Knowles made presentations to Dr. Ott and Mrs. Gilman to honor their work for the Rollinsford School District and to celebrate their retirements. Plants were presented, and they received a standing ovation from the floor. Outgoing school board member, Brian Mehlman, was given a plaque in appreciation of his three years of service. Mr. Connolly moved to adjourn the meeting at approximately 10:10. Mr. Dionne seconded. Voice vote carried the motion.

Meeting adjourned at 10:10 a.m.

Respectfully submitted

ARTICLE III

Are you in favor of changing the optional veteran's credit for \$200 to \$300 pursuant to RSA 72:28? (Recommended by the Selectmen)

Richard Wasson, seconded by Michael Rollo moved to accept Article III as read. No discussion on this Article. Ayes carries.

ARTICLE IV

Shall we increase the elderly real estate exemption as follows: Age 65-74, \$17,000-\$25,000; Age 74-79, \$25,000-\$35,000; Age 80-up, \$40,000-\$50,000. Income limits - single person \$33,000, married couple \$36,000. (By petition)

Motion to accept as read made by Michele Small, seconded by Ron Chabot. Selectman Ed Jansen explained that this Article was by petition, so it had to be placed on the warrant as written. Before the Selectmen had received the petition, they had planned to put in an article addressing this also, which is Article V. If you look at the two articles, the article the Selectmen purpose gives more support to the elderly. The Moderator asked if any of the petitioners would like to speak on the article. No one came forward.

Mr. Jansen asked if Article IV could be passed over, go to Article V, then come back to Article IV if needed. Motion made by Michael Rollo, seconded by Richard Wasson to by-pass Article IV. Vote to by-pass Article IV and go to Article V carries. (voice vote)

ARTICLE V

"Shall we modify the elderly exemptions from property tax in the Town of Rollinsford, based on assessed value, for qualified taxpayers to be as follows: for a person 65 years of age up to 75 years, \$33,000; for a person 75 years of age up to 80 years, \$49,000, for a person 80 years of age or older, \$66,000.00. To qualify the person must have been a New Hampshire resident for at least 5 years; own the real estate individually or jointly, or if the real estate is owned by the person's spouse, they must have been married for at least 5 years. In addition, the taxpayer must have a net income of less than \$30,500.00 or, if married, a combined net income of less than \$34,000.00, and own net assets not in excess of \$100,000.00 excluding the value of the person's residence." (Recommended by Selectmen)

Michael Rollo seconded by Michele Small, moved to accept Article as read.

Mr. Jansen explained that there is a reduction in the asset limit from the current amount of \$150,000.00 to \$100,000.00, making it more in line with other towns our size. Article IV has no assets limits, which could mean the petitioners did not want any, or the current amount would be used. There are also lower income limits in Article V. The Moderator again asked if any petitioners from Article IV would like to speak, again no one came forward. Article V carries. (voice vote)

The Moderator returned to Article IV. Richard Wasson, seconded by Arlene Boucher moved to accept Article IV as read. No further discussion on Article IV. Article IV is defeated. (voice vote)

ARTICLE VI

To see if the town will vote to issue a \$1,000,000 (one million dollars) bond to finance purchase of land to be used for open space protection, public recreation, or for preservation of space for future municipal facilities. A special town meeting and a Budget Committee hearing would be required before authorizing the Selectmen to purchase land and finance it with land funds for sites that may become available for purchase in the future. (2/3 ballot vote required)

Motion to accept as read made by Richard Wasson, seconded by Denise Knowles.

Lucy Putnam spoke on behalf of her husband, Charlie Putnam, Chairman of the Planning Board who was unable to attend. She stated that the Planning Board, an ad hoc group of town officials and residents, and the Conservation Commission have been working to identify critical lands in town as part of the Future of Rollinsford project. Many have expressed their support for the concept of enabling the

Town to purchase land for conservation purposes. One of his concerns was how would it be decided what lands at this point were most important and what lands should be considered, because if we have this fund several people may come forward with land to sell. Mr. Putnam felt that an advisory board composed of a diversified group of people should be established to minimize potential conflicts of interest. Also, Mr. Putnam thought the article should be clarified to allow the Selectmen to sell purchased lands upon receiving the approval of the Town Meeting. This would enable the Selectmen to fully or partially replenish funds used to purchase lands by subdividing and selling off portions of parcels or selling off parcels after placing appropriate development restrictions on the parcels. Dan Marquis, Chairman of the Conservation Commission, said that they are in the process of prioritizing parcels of land that have been identified as potential conservation properties. Anyone interested in this project are welcome to attend the Conservation Commission meeting on the third Thursday of the month at 6:30 p.m. at the Town Hall.

Selectman Jansen said that basically, we are establishing a line of credit should land become available.

Fred Barry spoke against this Article. He felt that the way to conserve land was through zoning and subdivision.

Michael Rollo, seconded by Paul Connolly moved to terminate discussion on this Article.

The Moderator said that this would be a ballot vote, so the polls would be open one hour, from 7:54 p.m. until 8:54 p.m.

ARTICLE VII

To see if the Town will vote to appropriate the sum equal to all revenues in excess of fifty thousand dollars (\$50,000) that may be received from the Hydro Electric Plant to be placed in the Town's Hydro Electric Fund. (The first \$50,000 or any lesser amount that may be received will be used as offset against Town Budget expenditures). (Majority vote required)

Motion to accept as read made by Richard Wasson, seconded by Ronald Chabot. There was no discussion on this Article. Article VII is granted. (Voice vote)

ARTICLE VIII

To see if the Town will vote to appropriate the sum of fifteen thousand dollars (\$15,000) and withdraw the same from the Land Trust Fund to finance land survey and related expenses that may be incurred in assisting private land owners who donate Conservation Easements and/or to purchase options to buy critical lands the town may wish to protect for open space or conservation uses. Cemetery Trustee Marc Couture said that this was on top of the operating budget, \$200 was for signs listing cemetery policies, and \$4,850 was for road improvements. Total operating budget is \$14,259.00. Ayes carries. (voice vote)

ARTICLE XIII

To see if the Town will vote to raise and appropriate the sum of twenty thousand dollars (\$20,000) to be added to the Land Trust Reserve Fund previously established. The Selectmen and the Budget Committee recommend this appropriation. (Majority vote required)

Denise Knowles moved to accept as read, seconded by Denise Foss. No discussion. Article carries.

ARTICLE XV

To see if the Town will vote to withdraw twenty thousand dollars (\$20,000) from the Land Use Change Tax Fund to be used to finance the twenty thousand dollars (\$20,000) to be added to the Land Trust Fund in Article III. (Majority vote required)

Paul Connolly moved to accept Article XV as read, Dan Marquis seconded the motion. No discussion on this Article. Article XV carries. (voice vote)

ARTICLE XVI

To see if the Town will vote to appropriate ten thousand dollars (\$10,000) to purchase a backhoe attachment for the Highway Department. (Majority vote required)

Motion to accept made by Ronald Chabot, seconded by Charlie Dionne. No discussion. Article

This truck will be financed with a \$112,500 grant from Homeland Security Funds and an additional \$17,500 to be withdrawn from the Equipment Reserve Fund. (Majority vote required)

Motion to accept Article XVIII as read made by Denise Knowles, seconded by Paul Connolly. There was no discussion on this Article. Article XVIII carries. (voice vote)

ARTICLE XIX

To see if the Town will vote to appropriate four thousand dollars (\$4,000) to purchase a radar unit for the Police Department (The State will provide a grant to cover 1/2 of the purchase cost.) (Majority vote required)

Paul Connolly moved to accept, Michael Rollo seconded the motion. Nelson Lawry asked if the grant is guaranteed. Mr. Jansen stated they have to be applied for, and in the past the Police Department have been very successful getting them. Article XIX carries. (voice vote)

ARTICLE XX

To see if the Town will vote to appropriate the sum of five thousand (\$5,000) to purchase an Amkus Rescue Tool Speedcutter for the Fire Department. This cost will be offset by a State grant. (Majority vote required)

Motion to accept made by Richard Wasson, seconded by Robin Aikman. No discussion. Article carries.

ARTICLE XXI

To see if the Town will vote to appropriate six thousand five hundred dollars (\$6,500) to purchase a cruiser video camera for the Police Department. (The State will provide a grant to cover part of the purchase cost.) (Majority vote required)

Peter Mantos moves to accept as read, seconded by Robin Aikman. No discussion. Ayes carries.

ARTICLE XXII

To see if the Town will vote to appropriate eight thousand dollars (\$8,000) to be used for partial funding of revaluation expenses in 2005. (Majority vote required)

Motion to accept Article made by Robin Aikman, seconded by Peter Mantos. Question was asked as to total amount of revaluation. Mr. Jansen said the total was \$76,000 or \$78,000 and that this was a three-year process. \$18,000 a year was spent in the last two years. The last two years we have approved an Article like this, and if this Article is approved there will be \$24,000 toward this expense.

Hopefully, taxes will not have to be increased to pay off the remainder this year. Article XXII carries. (voice vote)

ARTICLE XXIII

To see if the Town will vote to raise and appropriate the sum of one million one hundred fifty-two thousand eight hundred sixty dollars and two cents (\$1,152,860.02) which represents the operating budget. Sum does not include prior capital articles addressed. (The proposed budget grand total with the capital items considered above is \$2,466,410.02) (Majority vote required)

Michael Rollo, seconded by Robin Aikman, moves to accept as read. Paul Connolly moved to amend the Article by \$20,000 for the purpose of finishing the front of the Fire Station. Robert Cullen seconded the motion. Mr. Connolly stated that when the new addition was built last year, bricks could not be found to match the original station that was built in 1973. This \$20,000 would allow for taking off all the original brick and putting up new. There wasn't enough money to do this before, so in order to make the new addition weather tight, vinyl siding was put up. Mr. Connolly felt the appearance of the Fire Station would be improved if the front were all brick. Mr. Jansen said that he would prefer that some researching and planning were done, with actual costs before committing to \$20,000. The building is weather tight, so another year wouldn't make much difference, do the homework and come back. Peter Mantos said you see a lot of brick buildings with new additions that don't have matching bricks, so he felt just finish with the brick. The Moderator said the vote on the amendment to Article XVIII, would have a new budget grand total of \$2,486,410.02. The vote to amend Article XVII by \$20,000 is defeated. (voice vote) The vote on Article XVIII as originally read, with a budget grand total of \$2,466,410.02. Ayes carries. (voice vote)

ARTICLE XXIV

To hear the Conservation Committee's Management Report for Scoutland.

Dan Marquis, Chairman of the Conservation Committee, said that they did not meet the schedule and would like an extension to next year. Motion made by Robin Aikman, seconded by Nelson Lawry to grant extension to next year. Motion carries. (voice vote)

ARTICLE XXV

To see if the Town will vote to discontinue as an open highway the entire Scoutland Road and make subject to gates and bars the highway described as follows: "A highway laid out by the Board of Selectmen in June of 1968 along the old railroad bed, from Front Street to the Old Indigo Hill Road near Crockett's Crossing, in accordance with RSA Chapter 231."

Motion to accept Article as read made by Ron Chabot, seconded by Robert Cullen. Selectman Al Dionne explained that several years ago, the town closed most of the dirt roads subject to gates and bars, so all that is being done is putting gates and bars. There will be an opening allowing horses, and walkers to get through. The only reason this road was only partially closed, was that a landowner at the time did not want to have to open a gate every time he went in. Unfortunately people are going in and leaving garbage, car parts, all kinds of trash, so there needs to be some control over this. The new owner has suggested that a gate be put in just past his driveway. The whole road would be subject to gates and bars and the landowner and the Selectmen will decide where the gate will go. The land will still be open, but will restrict vehicular traffic, it will still be a class 6 road. Article carries. (voice vote)

ARTICLE XXVI

To see if the Town will vote to authorize the Selectmen to sell to the highest bidder, the surplus equipment and vehicles owned by the Town. (Majority vote required)

Motion to accept as read made by Paul Connolly, seconded by Ron Chabot. No discussion. Article carries. (voice vote)

ARTICLE XXVII

To transact any other business that may legally come before the meeting.

Carolyn Lamoureux wanted to introduce to the Town that there is a movement growing to start a Library. There is a support organization called The Friends of the Rollinsford Public Library, which is doing really well. Currently there is 176 paid members. RJ Bolian thanked everyone for helping his dream come true.

At 8:54 p.m. the Moderator closed the polls on Article VI. The results of Article VI which required a 2/3 vote to pass. There were 77 votes cast; 60 yes; 17 no. (52 votes were needed to pass) The Article carries.

9:10 p.m. meeting is adjourned.
